FROM: _____

**DESIGNATED DRIVER OPERATING
PROCEDURES**

Safety responsibility begins before drinking begins

Refrain from drinking alcohol beverages or taking drugs or medication which could affect reasoning or driving abilities

Announce to peers and the alcohol beverage server that you are the Designated Driver

Encourage friends to set pre-determined limits or number of drinks

Know if friends have taken medications which may further impair abilities or health

Wear a safety belt at all times in the vehicle

Insist that all passengers wear safety belts

Be familiar with the vehicle to be driven

Drive defensively by being alert at all times

Do not allow alcohol to be consumed or opened in the vehicle

Obey all traffic laws and resist influences to take risks

Safety responsibilities do not end with the ride until friends are home and safely inside
