**Approval of Agenda:**

Chairman Poole presented May 10, 2022 Agenda. Dr. Wilkins made a motion to approve the agenda. Vice Chairman Moore seconded the motion. There was no further discussion. The motion passed unanimously.

**Initial Adoption – Changes to Criteria for Georgia Driver’s Education Grant Scholarship Program**

Chairman Poole made Commission Members aware of a change in the proposed document that was originally sent in the meeting packet. The change is in paragraph A-3 regarding documentation for Georgia first responders disabled in the line of duty. Specially, “letter of disability from the State Board of Worker’s Compensation” was changed to “letter of disability.” Chairman Poole recognized Mr. Josh Turner to present the proposed changes to the criteria for the Georgia Driver’s Education Grant Scholarship Program. Mr. Turner summarized the proposed changes as follows:

1. Public safety professional” was changed to “Georgia first responder” throughout the document.
2. The term “provider” was changed to “Authorized Provider” in Section A to eliminate confusion from applicants on which driver training providers can redeem the scholarship voucher.

3. Paragraph A-3 was amended to include children or dependents of Georgia first responders who were disabled in the line of duty and to applicants who are in state custody under the care of the Georgia Department of Family and Children Services.
4. Paragraph A-3 was further amended to use O.C.G.A. § 35-8-7.4(a) to define Georgia first responder.
5. Paragraph A-3 was amended to update documentation requirements for applicants in Tier 1 to include a letter of disability for applicants who are the child or dependent of Georgia first responder's disabled in the line of duty and a letter of documenting state-custody for applicants in the custody of the Georgia Department of Family and Children Services.
6. Paragraph A-4 was amended to change the financial need eligibility from 125% to 175% of the Free and Reduced Price Meal Eligibility program.
7. Paragraph A-5 creating a third priority level for all other applicants who do not meet the criteria set forth in the first and second priority level was deleted.
8. Paragraph A-6 was amended by deleting the award process for third priority level applicants.
9. Paragraph A-7 was amended to provide reconsideration of a rejected application for the following two months after the application was rejected.

Vice Chairman Moore questioned why the Commission is considering the proposed changes and how these proposed changes were originated. Mr. Turner stated that while the legislation to extend the sunset provision was being considered in the Senate Public Safety Committee, and after consultation with the GDEC Commission members, he verbally agreed to make these changes to the eligibility criteria to members of the Senate Public Safety Committee to address their concerns.

Furthermore, Mr. Turner stated that the Student Eligibility for the Georgia Driver's Education Commission is not defined in the Commission's Rules but are simply referenced in the Rules and that state law authorizes the Commission to establish the criteria. However, Mr. Turner explained that out of abundance of transparency, the Commission will treat the changes to the Criteria with the same requirements as a rule change, including notifying the General Assembly of the changes by letter to the Legislative Counsel as required by changes to Rules. Additionally, Mr. Turner announced that the Commission would conduct a Public Hearing on May 23, 2022 at 10:00 am and consider final addition on June 10, 2022.

Mr. Turner asked Ms. Amy Radley, Assistant Attorney General, to confirm and she stated that these changes are not a change to the rules, only a change to something referenced in the rules and it is always better to do more than not enough. Ms. Radley stated that the board members do not have to attend the Public Hearing on May 23, 2022 and that Mr. Turner will provide a transcript of the Public Hearing before the meeting on June 10 for final consideration.

Chairman Poole asked if there were any discussion regarding the changes that have been proposed. Ms. Pamela Farr asked when will these changes go into effect and if the changes go into effect on July 1, 2022 if students that applied in May and June of 2022 would be eligible for reconsideration. Mr. Turner stated the changes will go into effect on July 1, 2022 and apply to students who submit applications on or after July 1, 2022.

Vice Chairman Moore asked how many students would be impacted by these changes. Mr. Turner stated that changing the Free and Reduced Price Meal threshold from 125% to 175% would change the maximum family income for a family of four to approximately \$89,000 annually. Additionally, there are

approximately 1,800 students in state custody through the Department of Family and Children Services that are eligible for this program annually, but DFCS staff anticipated that the actual number applicants would be far lower than the number eligible. Mr. Turner stated that the unknown variable is how many students qualify who are children of Georgia first responders disabled in the line of duty.

Vice Chairman Moore made a motion for Initial Adoption of the proposed changes to the Student Eligibility Criteria for the Georgia Driver's Education Grant Scholarship Program effective July 1, 2022. Dr. Wilkins seconded the motion. There was no further discussion. The motion carried unanimously.

A copy of the proposed changes and the notice to the Legislative Counsel are attached to these minutes.

### **Adjournment**

Dr. Wilkins made a motion to adjourn. Vice Chairman Moore seconded the motion. There was no further discussion. The motion to adjourn passed unanimously.

Re: Georgia Driver's Education Grant Scholarship Program; Scholarship Criteria

Dear Mr. Ruskell:

The OCGA § 15-21-178 authorizes the Georgia Driver's Education Commission to disperse funds for driver training "pursuant to criteria to be set by the commission." The Commission launched the Georgia Driver's Education Grant Scholarship Program in 2017 and thereafter adopted criteria that govern the program. The criteria is referenced in the Rules and Regulations of the Commission (Rule 163-1-2.-01). At its May 10, 2022 meeting, the Commission considered changing the criteria previously adopted and, while the changes are not to "rules" per se, the Commission is notifying you of the proposed changes to the criteria and that the Commission will hear from the public regarding those proposed changes.

The Commission will conduct a public hearing on May 22, 2022, at 10:00 a.m. to provide the public an opportunity to be heard on the proposed changes to the scholarship criteria. The Commission will then discuss and vote on final adoption of the proposed changes to the scholarship program criteria on June 10, 2022 at 2:00 pm.

Enclosed are a copy of the proposed changes and the Public Notice for the Public Hearing and Called Meeting when the proposed changes will be considered for final adoption.

Please don't hesitate to reach out to me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Allen Poole".
