

### Problem ID Worksheet

1 Name of applicant

2 Demographics/ Population (day vs. night)

Demographics (race, ethnicity, gender, age, education, profession, occupation, income level, and marital status)

3 Urban/Rural

Population less than 50,000 is considered Rural

4 Roadway description- Where are the crashes occurring?

Interstates      Yes/no      How much?  List interstates

State Routes      Yes/no      How much?  List State Routes

Local Roads      How much?  List interstates

Speed limits

Avg Speeds

5 Restaurants/ bars? Bar district? Number of bars? Concert venues?

Open container law with pedestrians?      Ride Share?

6 Schools/Universities?- Name and Describe

Student population

Pedestrians

Bicycles

e-scooters

7 Business District

Pedestrians

To-Go Alcoholic Beverages

8 55 Plus Communities?   
 Describe (% of population)

9 Minority population   
 Describe (% of population)

10 Native American Communities   
 Describe (% of population)

11 Seatbelt usage rate  
 State rate  2023 rate   
 Local rate  Date of survey

12 Local Crash Data **5 consecutive years of data - Use FARS Data where applicable**

	2017	2018	2019	2020	2021	2022 (if available)
Crashes	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Injuries (FARS)	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Fatalities (FARS)	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

13 Number of unrestrained fatalities (include years of data used)   
 Percentage of unrestrained fatalities vs. overall fatalities   
 14 Number of unrestrained injuries (include years of data used)   
 Percentage of unrestrained injuries.

15 Speed related fatalities -percent of overall fatalities  
 State rate  2021   
 Local rate  what year of data?

16 Impaired related fatalities- percent of overall fatalities  
 State rate  2021   
 Local rate  what year of data?

17 Pedestrian fatalities  
 State rate  2021   
 Local rate  what year of data?

18 Bicycle fatalities  
 State rate  2021   
 Local rate  what year of data?

19 Motorcycle fatalities

State rate	10%	2021
Local rate	<input type="text"/>	what year of data? <input type="text"/>

20 Drivers involved in Fatal Crashes

2021 State	<u>2,617</u>	2021 Local	<input type="text"/>
Young Drivers (15-20)	<u>215</u>	Young Drivers (15-20)	<input type="text"/>
Age 21 and over)	<u>2,345</u>	Age 21 and over)	<input type="text"/>

21 Are other languages are spoken in your community?

If so, what other languages are spoken? Percentage of individuals who speak

22 Document data sources

23 Data Sources for Grant Applications:

GOHS website: Crash Data Dashboard - <a href="https://www.gahighwaysafety.org/research/data-by-county/">https://www.gahighwaysafety.org/research/data-by-county/</a>
GOHS website: Traffic Safety Facts Sheets - <a href="https://www.gahighwaysafety.org/highway-safety/shsp/">https://www.gahighwaysafety.org/highway-safety/shsp/</a>
2021 NHTSA Countermeasures that work- <a href="https://www.ghsa.org/resources/countermeasures">https://www.ghsa.org/resources/countermeasures</a>
FARS Data- <a href="https://www.nhtsa.gov/research-data/fatality-analysis-reporting-system-fars">https://www.nhtsa.gov/research-data/fatality-analysis-reporting-system-fars</a>
GEARS (must be an approved agency) - <a href="https://www.gearsportal.com/Pages/Public/Home.aspx">https://www.gearsportal.com/Pages/Public/Home.aspx</a>
NHTSA Tools, Publications, and Data - <a href="https://cdan.nhtsa.gov/">https://cdan.nhtsa.gov/</a>
GA OASIS (This has different criteria then the FARS data)- <a href="https://oasis.state.ga.us/">https://oasis.state.ga.us/</a>
